School Mission Statement

GCA exists to bring glory to God as we love our students well by educating them Biblically and academically into becoming equipped disciples of Jesus Christ.

GCA Core Values: We desire to have an environment of revival that consistently displays:

Welcoming culture

United service

Preferring love

Heaven-sought wisdom

Awe-struck purpose

First Baptist Douglasville Mission Statement

We exist to display the glory of God by making disciples and proclaiming the Gospel throughout the world. (Matthew 28:16-20)

Dear GCA Parents and Families,

We believe that God has given First Baptist Douglasville the mission of becoming a multi-cultural, multi-generational, multiplying church. This mission is grounded in the words of Jesus in Matthew 28:19-20. There, Jesus proclaimed: "Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age." Therefore, Go Christian Academy (GCA) plays a strategic role in accomplishing this mission. Through the ministry of GCA, we have the opportunity to reach and build families right here in our community. We want to be a blessing to the families in our city. We have the opportunity to impact future generations. The Bible says in Psalm 127:3-4, "Behold, children are a heritage from the Lord, the fruit of the womb a reward. Like arrows in the hand of a warrior are the children of one's youth." At GCA, we see each one of your children as a blessing from God and it is our privilege to partner with you in their education and spiritual development.

Thank you for entrusting your precious children to us. We pray that God will bless you and your family through Go Christian Academy at First Baptist Douglasville.

In Christ,
Tim Akin
Senior Pastor
First Baptist Douglasville

Dear GCA Parents and Guardians,

Thank you so much for sending us your child. You are allowing us to partner with you in a very critical time in your child's development. We understand the significance of that. We want to provide an environment that is safe, comfortable, and loving for your child. Our desire is that he/she wakes up excited about going to school because it's a great place to be. Our teachers are excellent, and they will work hard to develop your child educationally, emotionally, and socially. More than anything, we want your child to grow in the grace and knowledge of Jesus Christ. Even at this young age, we want your child to know Jesus and we build everything we do around a Biblical Worldview. We make school and individual child decisions based on what is best for the child and what glorifies God. It truly is a privilege to be in a place where we can provide your child with the greatest news of all.

Part of being a partner means we hold a mutual trust. All of us – parent and school – want what is best for our children. As we understand this, then we can work together well. Communication is a huge part of a strong partnership. Work with the teacher, ask questions, share your concerns and be open to our feedback. You will see that your child is loved and known.

It's going to be a great year and I am so thankful that we are all on this road traveling together.

In Christ,

Monte Beaver
GCA Head of School

First Baptist Church Douglasville Core Beliefs

The Holy Bible was written by men, divinely inspired and is God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

About God the Father

God is the creator and ruler of the universe. He has eternally existed in three persons - the Father, the Son and the Holy Spirit. These three are co-equal and are one God.

Genesis 1:1, 26, 27; 3:22; Psalm 90:2; Matthew 28:19; I Peter 1:2; 1 Corinthians 13:14

About God the Son - Jesus Christ

Jesus Christ is the eternal Son of God. In His incarnation as Jesus Christ, He was conceived of the Holy Spirit and born of the Virgin Mary. Jesus lived a sinless, human life and offered himself as the perfect sacrifice for the sins of all men by dying on a cross. He arose from the dead after three days to demonstrate His power over sin and death. He made provision for the redemption of men from sin. He ascended to heaven's glory and will return to earth to reign as King of Kings and Lord of Lords.

Matthew 1:22, 23; Isaiah 9:6; John 1:1-5, 14:10-30; Hebrews 4:14, Corinthians 15:3; Romans 1:3, 4; Acts 1:9; 1 Timothy 6:14,15; Titus 2:13

About God the Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. He exalts Christ. He convicts men of sin, of righteousness and of judgment. He enlightens and empowers the believer and the church in worship, evangelism, and service.

John 3:5-6; John 14:26; Titus 3:6; Romans 8:26; Acts 2:38; Matthew 28:18-20

About Man

Man is the special creation of God, in His own image. He created them male and female as the crowning work of His creation. By his free choice man sinned against God and brought sin into the human race. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses dignity and is worthy of respect and Christian love.

Genesis 1:27; Psalm 8:3-6; Isaiah 53:6; Romans 3:23; Isaiah 59:1, 2

About Eternity

Man was created to exist forever. He will either exist eternally separated from God by sin or in union with God through forgiveness and salvation. To be eternally separated from God is hell. To be eternally in union with Him is eternal life. Heaven and hell are places of eternal existence.

John 3:16; John 2:25; John 5 -13; Romans 6:23; Revelation 20:15; 1John 5:12; Matthew 25:31-46.

About Salvation

Salvation involves the redemption of the whole man and is offered freely to all who accept Jesus Christ as Lord and Savior, who by His own blood obtained eternal redemption for the believer. In its broadest sense, salvation includes regeneration, justification, sanctification, and glorification.

Ephesians 2:4-10; Titus 2:11-14; James 2:14-26; Colossians 3:1-7; Romans 5:15-17

Go Christian Academy

Go Christian Academy is a ministry of First Baptist Church and is open to all children on a non-discriminatory basis. Our program is child-centered and Bible-based, using a wide variety of developmentally appropriate experiences for every child. At Go Christian Academy, we want to offer parents a school for their children that is safe, affordable, built on academics and spiritual learning, all centered on Jesus' love.

It is our desire to welcome each student as Jesus taught in this verse, "He took a child and put him in the midst of them, and taking him in His arms, He said to them 'Whoever receives one such child in my name receives me.'" Mark 9:36-37 (ESV)

We want to ensure that the learning of God, Jesus, the Bible, the church, self, community, world, and creation, along with embracing the physical, mental, emotional, social, and spiritual foundation of each child is met, along with all the academics that are taught.

Philosophy

We believe in the value and uniqueness of each child we serve. We endeavor to lead each student to a deep, personal relationship with Jesus Christ. The church, the school, and parents maintain necessary and equal purposes.

The staff at Go Christian Academy recognizes the importance of developmental stages in the education of the whole child. We believe that we should promote an atmosphere conducive to achieving developmental readiness and promoting academic, cognitive, social, emotional, physical, and spiritual goals.

A classroom environment which encourages, demonstrates, and rewards positive participation is important to the child. Also, an environment which extends the opportunity to each child to develop skills in critical thinking, problem solving, creative and divergent thinking, and language skills is the foundation of a quality educational program. To fulfill the concept of educating the whole child, we hold the tenets of providing artistic and cultural experiences to further the development of the child.

Mission

Our mission at GCA is to provide a program in a warm, loving, Christ centered environment which promotes emotional, intellectual, physical, social, and spiritual growth. We accomplish this by establishing a strong, educational, social, and spiritual foundation for every child through:

- Sharing God's love.
- Supporting parents and guardians in their God-given responsibility to nurture and train their children.
- Equipping learners with age appropriate academics and tools that are necessary to realize their God-given potential-spiritually, academically, socially, emotionally, ethically, and physically.
- Developing social skills and Godly character in learners, which enables them to meet the challenges that life brings.
- Enrolling learners from a diverse population-economically, socially, and educationally-- who can be successful while accomplishing a challenging curriculum.

At Go Christian Academy our goal is to give each child an education which is appropriate to this stage of development, one that will be immediately satisfying to students, and one that will help them build good foundations for the years ahead. We try through practice to help develop strong individual thinking skills. We are interested in discovering the traits and abilities of each child and in helping each child make the most of their potential.

Curriculum Overview

The curriculum used by Go Christian Academy is WEE Learn for our ones through three-year-old classes. WEE Learn is produced by LifeWay Christian Resources. The WEE Learn Curriculum is designed to offer learning activities which are directed toward language, reading readiness, math, and social skills. This program is designed to help Pre-Kindergarteners develop as Jesus did - physically, mentally, spiritually, and socially (Luke 2:52).

We use the ABEKA curriculum for writing and phonics, and Hands on Math for our Pre-K 4 classes.

We use the full ABEKA curriculum in our Kindergarten through third grade classes including the Bible curriculum,

The ABEKA curriculum provides for math, science, social studies, language arts, writing, reading, phonics, and art. The curriculum covers all Georgia Standards and has been approved by the Georgia Accreditation Association.

The Bible curriculum teaches the stories from the beginning of the Bible starting with Genesis and the creation and goes all the way through the New Testament teaching the life of Jesus and the life of Paul by learning scripture verses, with scripture questions and answers, and prayer.

We believe at Go Christian Academy that the Preschool and Elementary school years are the beginning of a student's foundation for learning and that is where the love of learning begins. With that, it is our goal as educators to make sure that each student develops that love of learning and is well balanced academically, socially, physically, emotionally, and spiritually.

It is our prayer that you will come alongside us and let us partner with you in helping build those foundations for your child.

Teachers

Go Christian Academy Teachers are dedicated to loving and nurturing each student in their classroom with an encouraging and caring atmosphere. All of our teachers have genuine care and interest in their students. They work and pray over them to succeed and grow spiritually and academically. Teachers at Go Christian Academy receive yearly training classes and up to date information to help them be more successful in the classroom. Our Elementary Teachers meet all accreditation standards set forth by the Georgia Accreditation Commission..

At Go Christian Academy we want to ensure that the learning of God, Jesus, the Bible, the church, self, community, world, and creation, along with embracing the physical, mental, emotional, social, and spiritual foundation of each child is met, along with all the academics that are taught.

Uniforms

At Go Christian Academy, all Elementary students Kindergarten and up will be required to wear a basic uniform. We believe this will help with positive student behavior, academic performance, and overall success. Not only do uniforms eliminate a distraction for students, they allow teachers to focus on academics as well.

The uniforms required are very basic:

Red, navy and white shirt, crew neck or golf style with 3 buttons. Boys can wear navy or khaki shorts or pants.

Girls can wear navy or khaki shorts, pants, skorts, and jumpers. Tights may be worn under skorts or jumpers, navy, white or cream in color.

Closed-toe shoes are preferred especially on P.E. days. No flip flops at any time should be worn.

Please mark all items with your child's name that can be removed such as jackets and hats.

Preschool Clothing and Personal Belongings

Your child should wear loose and comfortable clothing that can be managed with little help. Clothing should be suitable to the weather. Play clothes are preferred, as we may get messy! We also prefer closed-toe shoes. No flip flops are allowed..

Please send in a change of clothes for your child for each season. We will send home clothes at the end of the season and end of the school year.

Please mark all items with your child's name that can be removed such as jackets and hats.

Please refrain from your child bringing in personal toys, jewelry, or money from home. We have a lot of educational and fun toys at school. These items can also be easily lost.

General Admission Policy

Go Christian Academy is open to all children on a non-discriminatory basis of race, color, nationality or ethnic origin in administration of its educational policies, admission policies, or any school-administered programs.

Registration for members of First Baptist, children presently enrolled and children who have had siblings enrolled in the past, begins the first week of February and opens to the public the first week of March. Applications of current students or current families will be accepted on a first come, first served basis. Once a preschool or elementary application for a new family has been processed, an enrollment interview/assessment will be scheduled before acceptance can be offered.

Applications must be accompanied by a registration fee. The registration fee varies depending on age, grade, etc. and the exact fee can be found on our website. The registration fee covers curriculum costs, supply and start-up costs, as well as the cost for field trips and class events held throughout the year.

A child is not officially registered until the registration fee has been paid and the pre-assessment has been completed.

Tuition

Each child will have a tuition folder that will go home in book bags the last week of the month. The folder should have the child's name and that tuition is due on the first of the month. Included in the envelope will be the newsletter, class update, and any other pertinent information.

Tuition is due on the first of each month and is late after the 10th of each month, resulting in a 5% late fee. Tuition payments made by check should be placed in the tuition envelope and returned to school in the child's bag. Tuition can also be paid on-line. Call the school if you need directions for paying on-line.

In the event of withdrawal from the school, a two-week notice is required, otherwise tuition is expected.

Go Christian Academy reserves the right to dismiss any child for the following reason:

- Failure to meet monthly tuition fees.
- Severe discipline problems where other students are placed in danger.
- Other reasons where the school administration conclude that dismissal is in the best interest of the child and/or school.

Attendance/Tardiness

Go Christian Academy **Preschool** begins at 8:50 drop off and dismisses at 1:00 p.m. Parents of Preschoolers will use our morning carpool drop off by the school's playground. Carpool for Preschoolers ends at 9:10. After that time they will need to be walked in entering the front entrance of the church and check-in at the GCA main desk. The front doors will be locked for student security. To gain entrance, parents should call the main desk, 770-942-4504 and someone will come greet you at the front door and escort you to the main desk.

At dismissal time for **Preschool**, parents will follow a similar pattern to morning drop off. Parents will pick up their students at the school's playground. Children will be escorted to their cars by the GCA staff.

For Go Christian Academy **Kindergarten and Elementary students** school begins at 8:25. Carpool for these students begins at 8:10 and ends at 8:25. Any elementary student that arrives after 8:25 will need to be walked in and checked in at the GCA main desk. The front doors will be locked for security. Call the school's main number, 770-942-4504, and someone will greet you at the door and escort you to the GCA main desk. Drop off for Kindergarten and Elementary students will be located in the front of the church under the big awning.

Pickup for **Kindergarten and Elementary students** begins at 3:15. Parents will pick up their child at the same place as drop off. Parents will remain in their car and a GCA staff member will escort children to their cars. Half-day Kindergarten students are dismissed at 1:00 and pick up is at the front of the church.

It is important that your child arrives on time and is picked up on time. If a preschool student is picked up after 1:10, you will be charged the cost of our after-school care (\$8). If an elementary student is picked up after 3:30, you will be charged the cost of our after-school care (\$8).

Attendance for all Preschool and Elementary school students will be kept daily.

For our Elementary students, tardies and days absent will be counted.

Attendance Policy for Elementary Students

It is important that students have regular attendance and avoid excessive absences and/or tardiness. Excessive absences are more than 10. Any absence after 10 can only be excused with a doctor's note. The student will not be allowed to make up work for any unexcused absence after 10 total absences.

Excused absences will be allowed for the following:

- Illness or injury – a doctor's excuse is required for 4 or more consecutive absences.
- Death in immediate family
- Medical or dental appointment
- Religious observances
- Inclement weather – staff will notify parents of closing and reopening of school in case of inclement weather. GCA follows the Douglas County School System on all inclement weather closings. GCA also reserves the right to make scheduling decisions for school regarding reasonable safety boundaries with authority approval.

Attendance is very important for a student's academic success. If absences begin to have an educational impact on a student, the administration will reach out to the parent to set up a conference.

GCA will not release students to any person under the age of 18 or to any person without prior written approval from a parent. GCA will not release students to any person without a dashboard card for carpool pick up.

Sicknesses and Illness

For the protection of all GCA students and other children, parents are asked not to bring a child to school if they appear sick. A child should stay home when ANY of the following exists:

- Fever of 100 degrees or above - Must be fever free for 24 hours without medication before returning back to school.
- Vomiting or diarrhea - Must be free of symptoms for 24 hours before returning to school without medication.
- Any symptoms of childhood diseases of hand foot and mouth, scarlet fever, chicken pox, measles, mumps, or whooping cough
- Bad cold - green runny nose - sign of infection.
- Sore, red throat.
- Croup
- Any unexplained rashes
- Any skin infections
- Pink eye/eye infections

Children who appear sick or start running a fever during school will be isolated and parents/guardians will be contacted. If your child contracts a contagious illness following a school session, please contact the Director or child's teacher so they may inform other parents to take preventative care. Thank you so much in advance for following these procedures.

Go Christian Academy

COVID-19 Plan

School

- According to the World Health Organization, if there are no symptoms, it is best for children to keep them in school.
- Our school will continue to be a welcoming, respectful, inclusive, and supportive environment for our children. Our love and compassion for our students will not change. To keep our students safe and healthy some of our practices will change.
- Parents will be called to pick up their child if he/she is found to have a fever once school has begun.
- - Students are welcome to wear masks, but they are not required. Masks are not recommended for children 2 years and younger.
 - Our teachers are welcome to wear masks, but they are not required.
- We will control items in the classroom that are touched by students.
- For the most part, our classes will be distinct and separate units. The only contact a child will have will be with the children in his/her class.
- To control the number of people in the building, parents will drop children off with a GCA employee in the carpool line in the morning. In the afternoon, GCA staff will escort your child to your car in the parking lot. Parents will not enter the building before or after school.
- We will have an isolation room for any child who shows COVID-19 symptoms.
- We will provide a separate and designated space for students to store personal belongings.
- Students will provide their own supplies. We will not have communal supplies.
- We will not allow any unnecessary visitors into the classroom area.
- GCA and Church staff will sanitize all touched surfaces frequently. We will follow all sanitation guidelines from the CDC.

Students and Parents/Guardians

- Please let the school know if someone in your home has been diagnosed.
- Please do not send your student to school if someone in your home has been diagnosed and your student has been exposed. Call the school and we will discuss when your student can return.
- Please do not send your student to school if he/she has experienced any COVID-19 symptoms which include:
 - Fever over 100 degrees
 - Cough
 - Shortness of breath not related to a medical condition
 - Sore throat
 - Diarrhea or abdominal pain
 - Vomiting
 - Congestion not associated with allergies
 - Muscle Aches
 - Loss of taste or smell
 - Chills or repeated shaking
 - Headache

Return to School Guidance

If your child tested positive for Covid-19 or has symptoms, regardless of vaccination status:

- Stay at home for at least 5 days and isolate from others in your home. Wear a well-fitting mask if you must be around others in your home.
- If you had Covid-19 symptoms, end isolation after 5 full days if you are fever-free for 24 hours (without medication) and your symptoms are improving.
- If you did not have any symptoms, end isolation after at least 5 full days after your positive test.
- If you get very sick from Covid-19 or have a weakened immune system, you should isolate for at least 10 days and consult your doctor before ending isolation.
- Wear a well-fitting mask for 10 full days any time you are around others inside your home or in public, even after your isolation has ended.

If your child was exposed to Covid-19 and is NOT up-to-date on Covid 19 vaccinations:

- Quarantine for at least 5 full days.
- Even if you don't develop symptoms, get tested at least 5 days after you last had close contact with someone with Covid-19.
- After quarantine, watch for symptoms until 10 days after your last close contact.
- If you develop symptoms, isolate immediately and get tested. Continue to stay home until you know the results.
- Wear a well-fitting mask for 10 full days any time you are around others.

If your child was exposed to Covid-19 and is up-to-date on Covid-19 vaccinations:

- You do not need to stay home unless you develop symptoms.
- Even if you don't develop symptoms, get tested at least 5 days after you last had close contact.
- Watch for symptoms until 10 days after you last had close contact.
- If you develop symptoms, isolate immediately and get tested. Continue to stay hom until you know the results.
- Wear a well-fitting mask for 10 full days any time you are around others.

If your child was exposed to Covid-19 and has confirmed Covid-19 within the past 90 days:

- You do not need to stay home unless you develop symptoms.
- Watch for symptoms until 10 days after you last had close contact.
- If you develop symptoms, isolate immediately and get tested. Continue to stay hom until you know the results.

If an adult or child is around someone who has been exposed to COVID-19, but not diagnosed positive, no changes are necessary. Continue to follow the safety practices already being followed. Quarantining is necessary when someone has had direct exposure to someone diagnosed with COVID-19.

Parties, Special Occasions, Programs, field Trips and other Information

Birthday Parties

Parents are welcome to bring refreshments for birthdays. Please contact your child's teacher to coordinate. Check with your child's teacher for any allergies in the classroom. Please make sure any goodie bags that are sent in are sealed and enough for every child in the classroom. Latex balloons are not allowed at GCA as these present a choking hazard. Birthday party invitations may be distributed only if all children in the class receive one.

Field Trips and "In House Field Trips"

At GCA, we are excited to have so many fun learning activities and programs for our students. All the Preschool students get to attend our "In House Field Trips". These activities are programs that come to our campus to provide extra learning experiences for our students. Some of these programs include the Puppetry of Arts, The Science Guy, Atlanta Zoo, Barn Yard Animals, Pet Day, and many Community Service Helpers visit our school with wonderful programs to share with the students.

Kindergarten, 1st and 2nd grade will also attend off campus field trips. Some of the field trips in the past have been to the Pumpkin Patch and a tour of Chick-fil-A.

Parents or guardians will need to transport students to off campus field trips. Your teachers will direct you on where to meet for each field trip.

Parents/guardians who transport students for field trips certify that their vehicle is covered by insurance by the Georgia State Law.

Parents are allowed to attend these activities, and or be chaperones to the office campus Field Trips. Parents will be notified and will receive information when these programs visit our school.

Programs

Throughout the year we have special programs and activities for each age group and grade. You will receive a calendar from your child's teacher each month that will help inform you of all the activities your child will be having in their classroom. Some of the extra programs we have throughout the year are; "Thanksgiving Program", Muffins with Mom night out, Father's Night, Kindergarten graduation, and the End of the Year program.

Book Orders

Each month we offer book orders from several companies. Go Christian Academy uses discernment in determining which books we choose to buy and place on our bookshelves. Participating in these book clubs enables us to purchase quality books at affordable prices and receive many free books.

GCA does not endorse every book offered in the book clubs and asks that you carefully choose the books you purchase for your children. You will receive a book order form each month in your tuition folder. You are under NO obligation to purchase books.

Fundraising

All fundraising activities for Go Christian Academy are to be approved by the administration. We do appreciate all participation in our fundraisers. The funds raised from these fundraisers are used to help buy additional supplies, equipment, or materials for the school that go beyond our normal expenses.

Lunches

Each day a lunch will be served that you provide. It is hoped that you will use the list provided as a suggestion for the types of foods you will send in their lunch box with ice pack included daily. NO candy or gum is permitted, and we ask that you avoid sending excessively sweet cookies. Also, lunches containing artificial sweeteners are not acceptable. We ask that you do not bring your student food from a restaurant. The main reason is we are trying to encourage our children to eat healthy food. GCA will not serve and please do not send in popcorn, hot dogs, carrot sticks, celery sticks, peanuts, or any other food that may lodge in a child's throat and cause choking. If a lunch is sent in that we determine may cause choking, we will return that item back to you. Also, time will not allow us to cook or heat up any foods.

Some Nutritious Lunch Items suggestions are:

Melon Balls

Raisins

Sunflower Seeds

Cheese Crackers

Goldfish Crackers

Ritz Crackers

Jell-O

Cooked Chicken

Nuggets

Pretzels

Crushed Pineapple

Applesauce

Seedless Grapes (Cut in half lengthwise)

Dried Fruit

Muffins

Granola Bars

Orange Sections

Vanilla Wafers

Nutritious Cookies

Cheerios

Yogurt

Cooked Mac and cheese

Cup of soup

Lunchables

Graham Crackers

Mandarin Oranges

Bananas

Peanut Butter

Crustables

Simple Sandwiches

Cheese and Ham/Turkey Roll Up

Fruit Loops

Cooked Pizza

Strawberries

Shredded Carrots

Cheese

Specials

At GCA we offer many other activities for our students:

Music and Movement Class

A music and movement class will be provided for all GCA students once a week, for Preschool and Elementary students. The elements of music, rhythm, melody, harmony, form, style, and expression will be introduced through age appropriate performing, moving, creating, and listening. All types of music will be used including folk, classical, patriotic, and Christian.

Spanish (Pre-K 4 and up)

This class offers an introduction to Spanish using games, songs, and other activities. All elementary students will use the Bob Jones University curriculum for their Spanish class. This class will take an innovative and engaging approach to helping students learn basic Spanish, listen to the gospel in Spanish, and study Spanish speaking countries around the world.

Art (Pre-K 4 and up)

The art class will use a wide variety of art activities from making a sponge painting to crafting a Hawaiian lei. Students will love the projects in this age-appropriate art program. They will develop their manipulative skills through coloring, painting, tracing, drawing, cutting, and gluing with a variety of materials. The projects are correlated with academics, Bible teaching, and the seasons.

Physical Education (Pre-K 4 and Elementary age students)

Students will attend P.E. once a week where this class will provide students with a variety of physical activities that teach skills and promote lifelong active lifestyles!

It is required by Georgia State law that all children 80lbs and under and up to the 4'9" tall be in a federally approved child car seat. If any parent needs help with providing a car seat, please see our school Director for help.

Preschool will begin dismissal at 12:50 and will bring students out of the playground exit.

Half-day Kindergarten will begin dismissal at 1:00, and will be picked up in the front of the church in the same place they were dropped off.

Full day Kindergarten, 1st grade and 2nd grade will dismiss in the front of the church building beginning at 3:15.

Miscellaneous Pertinent Information

Students Records

The school maintains a complete record, including a cumulative academic record for each elementary student. All materials in these files are treated as strictly confidential.

GCA requires all children's current immunization records, or a notarized affidavit from the Douglas County Health Department, a current emergency contact form, the "All about Me" pink form, and a media release form for each student. All these forms need to be filled out and returned to the school within 3 weeks of starting school.

Parents or guardians have the right to inspect and review official records, files and data directly relating to their children. All records will be reviewed or inspected in the presence of an administrator so that proper explanation may be given.

No report card or student records will be released to parents or to another school if the family is delinquent in tuition payments or has a debt of any kind with the school.

Change of Address, Phone or Email

To maintain accurate communication between home and school, it is vitally important that a parent/guardian notify GCA immediately of any changes in address, phone, custody, and email addresses, etc.

Child Custody

Families who are in legal dispute over child custody or who are divorced are required to submit to the GCA office any legal documents with detail custody agreements. Both parents are responsible for the financial obligation to GCA unless otherwise stated in court documents.

These documents will be placed in the student's personal file and specifications from those documents will be followed.

Discipline

Discipline means setting and adhering to standards of behavior. Discipline is an essential preparation for the outside world. If an adult cares about a child, he/she will provide guidance and discipline.

Teachers use positive guidance techniques to direct children's behavior. Physical punishment or verbal abuse by any teacher is not allowed.

Our goal of discipline is to help children learn inner control over their own behavior. This is best done by helping children express emotions using words rather than physical force.

Teachers create a positive environment for children by having clear and consistent rules.

Teachers can create positive behavior by:

- Redirecting children when their behavior is inappropriate.
- Encouraging and reinforcing specific positive behavior by children.
- Allowing children to experience natural and logical consequences of their behavior.

Children whose behavior is out of control are helped to regain their composure by a calm, reassuring teacher. A short period of time away from the group activity is a helpful way for some children to calm down and return to appropriate behavior.

Conferences may be scheduled with parents to discuss concerns about a child's behavior in order to gain understanding of ways to work better with the child. Our goal is to work in partnership with parents. In severe cases of out of control behavior, when the child is endangering himself/herself, others, staff, or property, it may be necessary for GCA to request the parents to take the child home for the remainder of the day.

For elementary students, teachers will work with your student and communicate with you when behavior problems occur. Our hope is that through good communication with the parent and support from the parent, behavior problems can be corrected. However, there may be times that a student's behavior is such a problem that it is endangering the safety of himself/herself or others, or the behavior is so disruptive that the teacher cannot effectively teach the other children. When this happens, the child will be taken to an administrator for some time out of class. The hope is that time away and some guidance from an administrator will help correct the behavior. If disruptive or dangerous behavior persists, an administrator will contact you to set up a conference to discuss a behavior plan. We want to continue to try behavior interventions that will help correct the behavior and we will work in partnership with you to accomplish that. Suspension and dismissal would be possible consequences if the behavior continues.

Helpful Hints to help for your Child's Day be Happy

Make sure your child gets to bed at an early and consistent time each night. Fatigue is one of the biggest causes of inappropriate behavior in both adults and children.

Wake your child each morning with a joyful tone to your voice. Wake them early enough for him/her to leisurely prepare for school. It is far better to wake the child 15 to

30 minutes early than to pressure the child to "hurry so you won't be late."

It is important that each child have an adequate and nourishing breakfast each morning. A snack will be served, but it is not sufficient to replace breakfast.

Observe your child carefully each morning. If they are not feeling well, are running a fever, or have a rash, please keep them at home.

Help your child anticipate the joys of the day by talking positively about the experiences that lie ahead. Talk to your child's teacher frequently so you will be aware of special plans or activities.

Keep us informed about your home situation. Talk to a member of the administrative staff or the teacher if there are special or unusual circumstances that cause stress at home. This can be the death of a pet, birth of a baby, loss of a friend or relative, or even stress between parents. By knowing the situation, we can be more supportive to the child and to you.

Summary

It is well known and documented through educational research that the young child's thought processes are vastly different from older children and adults. It is entirely appropriate that learning activities are presented in a different approach.

Young children think "globally" in large chunks whereas adults tend to think in segments or learning modules. Therefore, when the young child is involved in an activity such as making soup, they are learning shape, color, size, name, volume, and cooperation all at once. Activities at Go Christian Academy are real hands-on experiences because the young child understands what can be seen and touched. Abstract concepts are foreign to them. While it is possible for young children to reproduce concepts such as written words or mathematical concepts, they do not internalize this until later. The goal at GCA, then, is to give these young children a real basis for learning to prepare them for their later years.

We are so excited that you have chosen Go Christian Academy for your child's school. We hope the information contained herein has been helpful to you. If you have any questions or concerns regarding any topic in this handbook, please seek clarification from a staff member.

Notice of Exemption

As the parent/guardian of the student attending Go Christian Academy Preschool, I acknowledge that I have been informed that Go Christian Academy of First Baptist Douglasville is exempt from being licensed by the Georgia Department of Early Care and Learning and is not required to be licensed. I have been informed that the GCA of First Baptist Douglasville carries liability insurance.
